If you see a girl in need of help, unable to lift something heavy, do not taunt her! Approach the object and greet her with a cheerful smile while surreptitiously testing the weight of the item. If you find you can lift it, go ahead. If you find that you can't, try sitting on it and engaging the girl in pleasant conversation

WHAT IF..?

▶ I'm asked a question I don't know the answer to?

WHAT IF..?

▶ We created a culture of Mentoring Men @ CC. Where older men disciple younger generations to be Biblical men who dream big dreams for Christ's Church in this City.
